Item	Commitment as per NCWA-III	Achievement upto 31-3-86
1. Housing . . .	(i) 58,200 (ii) All standard houses to be provided with electricity, water tap & a fan	(i) 36,467 In addition 6,010 non-standard houses have also been built up. (ii) Out of a total of 2,04,761 standard houses as on 1-3-86, 1,86,424 houses have been provided with water taps and 1,36,916 with fans.
2. Water Supply . .	15 Gallons per day per capita for entire population	Additional population of 2·67 lakhs has been covered making the total coverage 17·25 lakhs. Capacity generated as on 1-4-86 is 48·93 million gallon per day.
3. Hospital Beds . .	Bed ratio of 1 : 120 i.e. addition of 1,500 beds.	481 beds till 1-3-1986.
4. Dispensaries . .	One Dispensary for each colliery/unit.	393 dispensaries have been established so far.
5. Ambulances . .	439	485 (Fully covered)
6. School Buildings .	100	76
7. Canteens . . .	A canteen in each colliery/unit	340 canteens established so far

NCWA-III will expire on 31-12-86. Implementation of welfare measures is a continuous process and more is expected to be achieved by the end of the Agreement period. There have been, however, major constraints in timely construction of houses, such as, (i) Non-availability of suitable land near the coal mines, particularly in ECL and BCCL (ii) Delays in acquisition of land under Land Acquisition Act and forest land, (iii) Stoppage of construction by (a) Court orders (b) Frequent obstruction by villagers, (iv) Shortage of cement and steel.

Generation capacity of the Damodar Valley Corporation

538. SHRI CHATURANAN MISHRA: Will the Minister of ENERGY be pleased to state:

(a) what is the total generation capacity of the D.V.C;

(b) what has been the actual generation of the D.V.C. during the last three years; and

(c) what parts of it were given to West Bengal and Bihar?

THE MINISTER OF ENERGY (SHRI VASANT SATHE): (a) The installed (derated) generating capacity of the Damodar Valley Corporation is 1549 MW.

(b) and (c) Actual energy generation by DVC during the years 1983-84, 1984-85 and 1985-86 and the quantum of energy supplied in West Bengal and Bihar was as under:—

Year	Gross Generation	Total energy sold	Energy Supplied in Bihar	Energy supplied in West Bengal
	(Figures in Million Units)			
1983-84	6335	5358	3316	2042
1984-85	6507	5550	3460	2090
1985-86	6459	5650	3595	2055

Crude for processing in Haldia Refinery

539. SHRI BIR BHADRA PRATAP SINGH: Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

(a) whether it is a fact that with the construction of oil jetty (second) Haldia Port, enough crude would be available both from the Bombay High and from imported crude for processing in the Haldia Refinery;

(b) whether it is also a fact that expansion of the said refinery has thus become the need of the hour;

(c) if so, the facts thereof;

(d) what steps are being taken by Government to undertake project expansion for which feasibility report has been pending since 1979 or so; and

(e) the reasons for delay in the execution of the Project for expansion of Haldia and Barauni Refinery?

THE MINISTER OF STATE OF THE MINISTRY OF PETROLEUM AND NATURAL GAS (SHRI CHANDRA SHEKHAR SINGH): (a) to (e) Oil refineries are set up on the basis of several techno-economic considerations including production centres, consumption zones, transportation, logistics, etc. There are no proposals for expansion of the Haldia and Barauni refinery in the Seventh Plan.

Investment on capital projects

540. SHRI B. SATYANARAYAN REDDY: Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

(a) whether it is a fact that the investment proposed to be made on capital projects during 1986-87 by the Indian Oil Corporation would be from its own funds;

(b) if so, the details of the projects; and

(c) the amount so far raised by the Indian Oil Corporation through public deposits?

THE MINISTER OF STATE OF THE MINISTRY OF PETROLEUM AND NATURAL GAS (SHRI CHANDRA SHEKHAR SINGH): (a) As against the total plan outlay 1986-87 of I.O.C. of Rs. 205.45 crores, on capital projects, the internal resources generation of I.O.C. for financing the above Plan Outlay is expected to be of the order of Rs. 142.92 crores only.

(b) A statement of projects included in the Annual Plan 1986-87 of I.O.C. is enclosed. [*See* Appendix CXXXVIII, Annexure No. 11]

(c) I.O.C. have a balance of Rs. 194.86 crores as public deposits on 31-3-1986.
